

# California Joint Powers Risk Management Authority *Training Announcement*

## Impact of AB 392 on Police Criminal and Civil Liability

**Thursday, January 07, 2021**

**Presented by Gregory M. Fox, Senior Partner  
Bertrand, Fox, Elliot, Osman & Wenzel**

The California Joint Powers Risk Management Authority (CJPRMA) is a statewide risk retention pool that was established in 1986 to provide excess general liability coverage for its members. Currently, its membership is composed of 16 cities and 5 joint powers authorities. The combined membership represents about 100 public entities throughout the state.

This session has been designed to cover the changes in California law now present public entities with the challenge of adapting their police departments training and policies on uses of force to comply with the new California laws. The new laws are also an opportunity to discuss possible changes in policing and how best to use the news laws to defend and protect the officers in both criminal and civil litigation.
