

Maintaining a Respectful Workplace

Tuesday, May 11, 2021

10:00 A.M. – 11:00 A.M.

NCCSIF is proud to offer a virtual training course on Maintaining a Respectful Workplace. The training is being provided by our Employee Assistance Program Administrator, ACI Specialty Benefits.

Maintaining a Respectful Workplace addresses diversity, equity, and inclusion in the workplace. Showing respect towards others includes all aspects of diversity. Organizations are filled with people of different ages, races, genders, religions, backgrounds, and interests. This can create challenging situations in the workplace, which managers must learn how to handle for a diverse organization to thrive.

Cost?

This training is being offered at **no cost** to all NCCSIF members.

If you are unable to attend the live training, this workshop will be recorded and made available on the NCCSIF website for viewing at a later date.

Who should attend?

This training is recommended for all employees.
